

L'ART D'EN FAIRE - CIRCUS SCHOOL

Volunteering mission in European Solidarity Corps

7/09/2026 - 27/08/2027

L'Art d'En Faire is a social circus school that organise cultural mediation actions. Its project is based on the principles and values of popular education. It offers circus classes and workshops all year round for all audiences, and supports creation and social integration projects with groups of young people.

- Missions :

- > Participate in the supervision of circus workshops for all audiences
- > Participate in the life of the organization (DIY, cultural events, etc.)
- > Participate in youth projects and create valorization materials (photos, video, etc.)
- > Participate to communication work (poster campaign, flyers delivery...)
- > Participate in technical and logistical support

- Opportunities :

- > Discover the social circus and the associative and cultural environment
- > Discover and practice the circus arts
- > Discover a splendid and dynamic natural region, between rivers and mountains

Participant profile:

The volunteer will work using the circus arts tool, but will also have the opportunity to carry out activities related to their own skills that they would like to develop or put into practice. a desire to discover and/or practice circus and to train is essential. The team will appreciate the new ideas and skills brought by the volunteer, but a motivated beginner will be welcome!

MISSION OFFER

Training during the opportunity:

The volunteer will be participating in the on-arrival and mid-term trainings organised by the National Agency, if possible. He/She will be registered on the on-line linguistic support proposed to all European Solidarity Corps volunteers. He/She will be in regular contact with his/her mentor in the hosting organisation and with his/her mentor in the sending organisation. A welcoming time, trainings and support to help him/her in his/her integration and activities will be organised.

Accommodation, food and transport arrangements:

The volunteer will be housed in a furnished, individual studio apartment above the Joyeuse medical center, a 10-minute walk from the circus school. The apartment is adjacent to another studio apartment where our French volunteer will be staying. Each studio apartment has its own bathroom; the fully equipped kitchen and balcony are shared by both volunteers. Driving license B is a plus, to travel around the territory. A vehicle may possibly be loaned. Buses pass through the town of Joyeuse, and allow you to travel.
